

### County Food Ingredients (CFI)

From our state-of-the-art food processing facility in Widnes, CFI is leading the way in new product innovation. CFI brings new exciting additions to County Milk's dairy processing capabilities and is an integral part of growth plans for the County Milk group. CFI can supply Anhydrous milk fat (AMF) butter oil and ghee in a range of formats and quantities. These include retail-ready cans, boxes and bulk tankers. CFI can provide products to fit all specifications and applications.

### County Chef

County Chef is our in-house brand for the development of ready to use sauces, pastes, pickles and condiments. Our products add flavour, spice and variety to food.

Through our County Chef brand we can supply all of our products into wholesale, retail, food processing and food service sectors. CFI can also provide bespoke product solutions, across the range, for customer own brands.
